DIFF LOCK ACTUATOR GUARD COMPATIBLE WITH NISSAN NAVARA NP300

The Diff lock actuator is located in a vulnerable position which can be subject to stone and other damage if impacted by unforgiving terrain when off road. This component is a genuine only replacement part – considerably more than the cost of a guard!

**MANUFACTURED
IN AUSTRALIA**

Manufactured locally in Australia from 304 Stainless Steel to ensure a lifetime of corrosion resistance. Easy install with basic hand tools.

Part Number SB065

Nissan Navara Diff Lock Actuator Guard
