SWAY BAR LINK

COMPATIBLE WITH NISSAN PATROL GQ-GU 1987-2016

Heavy Duty Adjustable Sway Bar Link for the front of the Nissan Patrol GQ-GU 1987-2016.

They come with pre-greased joints top and bottom and have a long thread on them, which you can shorten on installation to suit the size lift you have, you can then adjust them to get the perfect setting for your car. These are sold individually.

GREASEABLE BALL JOINTS FOR LONGEVITY AND STRENGTH

ON CAR ADJUSTABILITY

**CUSTOMIZABLE LENGTHS AND FITMENT DUE TO
EASY SHORTENING OF THREAD LENGTH**

PART NUMBER STB8828ETV2
